## CLUB DRESSAGE CHAMPIONSHIPS

Saturday 30th Sept started out cool & cloudy with rain showers. Many hands made light work of setting up the 2 arenas in a record time of 40mins.

Then at 9am we were underway with the L5 tests. 9.30 saw the second ring start & then we rolled along quickly with most of us moving on quite promptly with our second test after our first.

16 riders competed 1 test in their assessed level & 1 test in the level above. This is either daunting, if your new to your level, or a great opportunity to try the next level, if your close to pointing up.

There were lots of lovely tests & many smiles from riders after completing their level above.

It was wonderful seeing riders that don't compete much dressage out there having a go. This is really what this day is all about, a chance to try some dressage in a safe & friendly environment.

Yummy snacks & socialising along with the encouraging & supportive comments from the peanut gallery made for a fun & enjoyable club day.

Quick packup saw us all head to the shed for presentations. What a great result with Stuart placing second overall at his first dressage tests & of course a well deserved win by Lisa & Isabella following their lovely tests.

Well done to all who competed & thanks to those who didn't ride but came along to cheer & assist on the day.

### Results

1<sup>st</sup> – Lisa Waddell riding Isabella

2<sup>nd</sup> – Stuart Eastaugh riding Buddy

3<sup>rd</sup> – Liz Kilpatrick riding Kitty

## 2017 Club Show Jumping Championships

Saturday 11<sup>th</sup> November 2017 at the club grounds

8:30am set up for an 9:00am start

**Entry fee: \$20 pay on the day—includes lunch**

*NOTE: We need a minimum of 8 riders to run the event so even if you are not an avid jumper, come along and give it a go! It's a relaxed day and a bit of fun!*

Club Championships based on a Jackpot scoring system. Each rider competes in the two classes at their assessed level. The type of class allows everyone to be placed according to their faults regardless of their level. Time will be used to split equal placings. Time allowed varies for each level- so fastest time across all levels will be used to award placings. Points are awarded for placings in this overall listing as per Jackpot scoring system. Jackpot points for the overall placings for each class are totalled to give the Club Champion. Equal Jackpot placings will be split according to placing in Class 2

SJ JUDGE – T.B.A.

### **Class one: ONE ROUND STAKES**

Competitors jump one round. Competitors on equal number of faults are split according to time taken to complete the round. Riders with the fastest time (no. of seconds under time allowed for their level) places higher. There is no jump off.

### **Class two: TABLE AM7**

A competition judged under Table A, not against the clock with a time allowed in the first round. A competitor with a clear round must remain in the arena for a jump-off against the clock. The judge rings the bell to indicate that he/she is ready for the competitor to start the jump-off of the competition. A competitor who fails to pass through the start of the jump-off within 30 seconds of the bell incurs elimination.

In the case of equality of faults in the jump-off, time will decide the placing's. In the case of equality of faults and time, equal placing's will be awarded. if the number of competitors who reach the jump-off is insufficient to fill all placing's, the additional placing's will be decided on faults from the first round, with equal placing's being awarded as necessary.

### Some WAR Safety Guidelines....

Hi Members,

These points were mentioned last year but since we have so many new members we have decided to send out a friendly reminder.

The guidelines were introduced to ensure the safety of not only our members but also our guests, horses, dogs and children:

Please park floats and vehicles a minimum of 10-15 meters away from the arena's edge.

Lunging to be conducted on grass areas away from the sand arena to avoid disturbance to riders.

Exemption: If there are no riders on the sand, then you may use the sand however once someone starts riding then you must move away onto grassed area.

Children to remain supervised and not to be within approx 10 meters of arena unless in the company of an adult.

Dogs to remain on leashes at all times please. If your dog is loose or causes a disturbance you may be asked to leave him/her at home in the future.

Your cooperation is appreciated.

Thank you,

The WAR Committee

## ***Whittlesea Adult Riders - Club Highpoint Awards***

### **REMINDER!**

#### **Club Highpoint Awards up to end October 2017!**

This year we will be awarding club members a “Highpoint Award” for each discipline as follows with a lovely woollen inscribed rug, donated by Horseland Epping:-

- Dressage
- Showing
- Show Jumping
- Combined Training/Horse Trials

The onus is on each member to provide a copy of their performance cards showing points earned during the financial year (1/11/16 to 31/10/17) for their chosen disciplines above.

Attached is the document you can use to record the points for the year.

All members who are out competing should take part in these awards as we would like to acknowledge those of you who are out there having a go and representing our club.

The completed forms and copies of your HRCV card will need to be finalised by mid November and awards will be presented at our December Xmas rally.

Note: Members who belong to other HRCV clubs cannot use points earned whilst competing for the other club.

Don't forget to tally your Club Highpoint Awards as per your HRCV cards and send into Leanne LeClaire after 31/10/17. Winners will be awarded at the Xmas break up in December. Horseland have donated rugs for the winners! See “Highpoint Award” document for further details!

Thanks – Diana Earp
